

What do I do if a movement certificate EUR1/EUR-MED is lost?

If a movement certificate EUR1/EUR-MED has been lost, stolen or destroyed you may apply for the issue of a duplicate at the office where the original was issued. You must:

Action:

1. Say in writing why you need a duplicate
2. Say where and when the original movement certificate, EUR1/EUR-MED was issued.
3. Provide a completed movement certificate EUR1/EUR-MED marked 'Duplicate' in Box 7, and insert the serial number and date of issue of the original certificate in this box.
4. Supply a copy of the export invoice and /or any other supporting evidence against which the original certificate was issued.

We will date the certificate with the date of issue of the original certificate and it will therefore be valid for the same period.

Can I apply for a movement certificate EUR1/EUR-MED after shipment?

You should make every effort to complete a movement certificate EUR1/EUR-MED before shipment. **Exceptionally**, if you want to apply for a movement certificate EUR1/EUR-MED after the goods have been shipped, you should:

Action:

1. Provide a completed movement certificate EUR 1/EUR-MED marked 'Issued retrospectively' in Box 7.
2. Make an extra declaration under paragraph 1 on page 4 as follows: 'no movement certificate EUR 1/EUR-MED for these goods has previously been issued'.
3. Give details of the place and date of exportation.
4. Supply a copy of the export invoice or alternative acceptable evidence (paragraph 3.6).

The form should be sent to the Mid-Yorkshire Chamber of Commerce for stamping.

An Invoice Declaration can be issued retrospectively so long as it is presented in the importing country no longer than two years after the export of the products to which it relates.

Note: For Mexico and South Korea the time limit is one year from their date of issue.
