To: The Documentation Managers of all EUR1/A.TR Issuing Bodies

Dear Chamber Colleague,

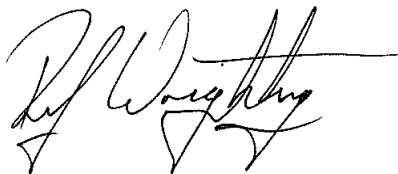

Re Customs Notices – Cessation of EUR1's for South Korea (Republic of Korea)

HMRC have asked me to remind all Chambers that when the South Koreans negotiated the EU-KOREA Free Trade Agreement they decided they did not want a certificated system and would only accept origin declarations from the exporter on the invoice (invoice declarations).

Therefore EUR1's are not valid for South Korea and must not be issued.

Please ensure all certification staff are aware of this and issue no further EUR1's for South Korea

Yours

Paul Wrighting
National Trade Services Manager
